

CURBSIDE SERVICES FOR RESIDENTS

Bulky item pickup means that certain items such as mattresses, appliances, furniture, and electronics that cannot fit into the garbage cart or that need special handling will be picked up by appointment. This service is available for residential hauling company customers for a fee or at no cost. In addition, some communities offer free Curbside Cleanup Events.

HOW CLEAN DO YOUR RECYCLABLES NEED TO BE

Recycling standards are getting stricter. The market is requiring high-quality materials. Bottles and containers need to be empty of food and liquid. Paper needs to be clean and dry. Follow the steps below:

POUR OUT LIQUIDS

SCRAPE OUT FOOD FROM RECYCLABLES

WIPE OUT OILY OR STICKY RESIDUE FROM RECYCLABLES

GREASY, GRIMY, GOOEY, WET, OR FOOD-SOILED PAPER GOES IN YOUR COMPOST CART

Meat, cheese, and bones are not accepted in the compost cart in areas served by Sonoma Garbage Collectors.

WINDSOR ONLY

In Windsor, your recyclable materials must be separated. Put metal, glass, and plastic containers on the blue side and put cardboard and paper on the yellow side.

TIP: KEEP CAPS ON

It is preferable to leave screw-top lids on empty plastic, glass, and metal containers. If lids are removed from the container, they are too small to be recycled.
