

ALTERNATIVE PRODUCTS LIST NON-FOOD SERVICE WARE ALTERNATIVES

The Disposable Food Ware and Polystyrene Foam Ordinance will not only affect food and beverage providers, but it will also affect managers and business owners who use, sell, or distribute the following products:

NON-COMPLIANT PRODUCTS	INSTEAD OF THIS	USE THIS	COMPLIANT ALTERNATIVES
Polystyrene foam single-use coolers			Compostable coolers made from recycled tree pulp
Polystyrene foam packing peanuts			Shredded paper packing material is compostable
Polystyrene foam wine shippers sold and originating within the jurisdiction			Molded pulp is compostable and clear plastic (PET) wine shippers are recyclable
Polystyrene foam egg cartons			Molded pulp is compostable and clear plastic (PET) egg cartons are recyclable
