

Free Organic Compost

(while supplies last, ½ yard limit per household)

Sunday, March 27, 2022
10am to 2pm

Where: **A Place to Play Park**
2375 W 3rd Street, Santa Rosa

What to bring (compost is loose and unbagged):

- **Tarps, Buckets, Bins or Bags (extra bags available)**
- **Shovels, Gloves**

Benefits of organic compost:

Compost replenishes the soil, feeds your plants, improves water retention, recycles organic resources, and pulls carbon out of the atmosphere.

Compost courtesy of Napa Recycling and Waste Services
This event is organized by the Sonoma County Local Task Force
for Integrated Waste Management & Zero Waste Sonoma
