

Suppliers of Reusable Carryout Bags – Enforcement begins September 1, 2014

Suppliers on this list carry reusable bags that meet requirements set by the Sonoma County Waste Management Agency Ordinance 2014-02. "Reusable Bag" means either a bag made of cloth or other machine washable fabric that has handles, or a durable plastic bag with handles that is at least 2.25 mil thick and is specifically designed and manufactured for multiple reuse. A Reusable Bag provided by a Retail Establishment shall be designed and manufactured to withstand repeated uses over a period of time; made from a material that can be cleaned and disinfected; and shall not contain lead, cadmium, or any other heavy metal in toxic amounts.
