## E-WASTE (AND MATTRESS) RECYCLING EVENTS

REPORTING PERIOD JANUARY 1, 2018 TO JUNE 30, 2019

ZWS held two types of collection events, e-waste collection events and mattress collection events held in conjunction with e-waste events.

E-waste collection events have been operated by the Conservation Corps North Bay (CCNB) since 2016. By request, an additional event was added to the annual schedule at the Monte Rio Community Center. Mattress collections held in conjunction with e-waste events are organized through a partnership with CCNB and the Mattress Recycling Council (MRC). MRC, a non-profit, is responsible for implementing California's mattress recycling law. Prior to CCNB, ZWS coordinated with Goodwill Industries of the Redwood Empire (GIRE). After a staffing crisis precipitated by the October 2017 fires, CCNB assumed responsibility for the program.

Programs are advertised through paid advertising, in the annual Recycle Guide, and through social media.
